

## Memorial Contributions

A memorial contribution is a wonderful way to honor the life of an animal lover or a beloved pet, allowing their spirit to make a difference in the lives of homeless animals. In many cases, families will request the memorial donations be made to Larimer Humane Society in lieu of flowers. Memorial contributions are acknowledged with a card sent to the bereaved family so they know their loved one continues to impact the lives of the animals they loved. Memorial contributions will appear in Larimer Humane Society's newsletter unless requested otherwise.
