

20th Annual Fire Hydrant 5 Event Information

New Attendance/Fundraising Record Achieved for Fire Hydrant 5

Larimer Humane Society would like to thank everyone that helped make our 20th Annual Fire Hydrant 5, 5K Run/Walk & Pet Fair a resounding success! We had over 600 participants and ended the day with a new Fire Hydrant 5 record -- raising just over \$38,500 to aid the thousands lost, stray, orphaned and injured domestic and wild animals entrusted to Larimer Humane Society each year.

With the community's support, Larimer Humane Society hopes to reach a fundraising goal of \$41,000 so we can help even more critters find loving new homes, either back in the wild or with new families that will shower them with the love and attention they so greatly deserve.

Please, pledge to help the critters in need by making a general donation online for Fire Hydrant 5 and help us meet our goal.

Make a pledge today!
