

Put Your Love for Animals to Work...and Help Save Lives!

As an independent nonprofit organization, Larimer Humane Society relies on volunteers to care for animals, raise funding, and help educate our community on our services and programs. Whether you're interested in simply spending quality time with homeless animals or want to learn valuable hands-on skills our volunteer program can accommodate your interests. Your time is a valuable gift and just a few hours a week will make an incredible difference in the lives of homeless animals. In 2008, our volunteer team donated 53,287 hours worth \$1,039,629 in salary time!
