

## Greta

My husband and I adopted Sha ne-ne, now Greta in June shortly after the passing of our dog Nash. We weren't sure if it was the right time to bring another dog into our family, but within 2 minutes of meeting Greta all doubts left our minds and we knew she was meant to be a member of our family forever. She is a wonderful dog! She loves to hike, swim, and most of all, play ball. Whatever she is doing she aims to please. We have fallen in love with her and are so grateful for the wonderful adoption experience we had with the Larimer Humane Society. Thank you.
