

To Schedule a Reservation

For program details, requests or to schedule a shelter tour, please call our Humane Educator at 970-530-2962 or send us an email .

We are very excited about the establishment of a formal partnership between Larimer Humane Society and the Poudre School District. Through this partnership, we hope to expand Larimer Humane Society's involvement in youth education, and to establish a link between the students and their community. We also help scout troops work on badges.
