Client Services Greeter and Animal Liaison Volunteer

Objective:

To assist Larimer Humane Society's Client Service Representatives in greeting shelter patrons and providing exceptional customer service when assisting with intake or adoptions. Prepare/clean adoption visitation rooms, complete administrative/shelter 'front desk' tasks, facilitate adoptions visits, assist with walking patrons through stray areas to look for their missing animal, and assist with other miscellaneous tasks as requested.

Purpose:

Ensures that patrons are served promptly; treated respectfully; receive the proper information on Larimer Humane Society's animals, programs and services; and leave with a positive impression of the shelter...and hopefully a new pet! This position helps to strengthen the public's perception of Larimer Humane Society which ultimately helps more animals get adopted into new homes or reunited with their owners.

Duties:

- Proactively greets Larimer Humane Society customers in a friendly, professional manner at all times – always greeting customers with a smile and/or general concern (depending on the situation), open the door for clients, assist clients with carrying animals/items into the shelter.
- Checks guests in upon their arrival by entering their name and reason for their visit into the main host desk computer; provide patrons with an estimated wait time to visit with the member of the client services staff.
- Directs patrons to adoptable animal rooms, public areas, and restrooms.
- Provides patrons with the necessary paperwork to complete prior to visiting with a Client Services Representative (i.e. cat or dog surrender paperwork, stray impound card, etc.)
- Provides clients with knowledge and information on adoptable animals and the adoption process.
- Answers general questions from the patrons visiting the shelter; seeks the assistance of a Client Services Supervisor or Lead, if necessary.
- Informs customers of special adoption promotions.
- Communicates high-traffic concerns with Client Services staff to ensure proper flow of customers through the shelter.
- Cleans/sanitizes visitation rooms between patron(s)' visits with adoptable animals.
- Assists staff with keeping the lobby and intake rooms clean and free of clutter.
- Escorts patrons that have lost their pet through stray animal rooms for possible identification.
- Conducts adoption visits, using shelter software to locate and provide client with all available information pertaining to the animal's intake, behavior, and medical history. Refers client to Client Services Representative to complete adoption process, if applicable.
- Assists with other miscellaneous tasks, as directed by a member of staff.
