LARIMER HUMANE SOCIETY

Multiple-Animal Transport Volunteer

Major Objective: Assist with transportation of animals to or from Larimer Humane Society shelter in Shelter Vehicle.

Duties:

- Check email regularly to learn about available driving needs (often less than one-week's notice before assignments due to unexpected animal needs)
- Transportation of animals to or from Larimer Humane Society shelter using Larimer Humane Society fleet vehicle
- Transport involves multiple animals at one time, often over long distances (e.g. out of state)
- Loading and unloading crates into the vehicle with little or no assistance.
- Loading and unloading animals in the vehicle with little or no assistance.
- Obtain and maintain animal's paperwork.
- Follow Larimer Humane Society driving protocol and guidelines set forth by PACFA.

Training/Requirements:

- Regular email access
- Insurable driving record and proof of liability insurance (required)
- Current driver's license (required)
- At least 21 years of age
- Experience driving full-size van preferred
- Additional training to be provided by staff members and/or online training programs
- Animal Handling Training required

Commitment: We ask that animal transport volunteers assume at least one transport assignment each month.

Volunteer Profile: Detail-oriented, professional, friendly, well-spoken, able to follow confidentiality practices, ability to present Larimer Humane Society in a positive and professional manner while conducting volunteer tasks, confidence with animal handling

Volunteer Benefits:

- Gain exposure to new people and places
- Flexible scheduling – you tell us what assignments you want to take on
- Flexible commitment – open to as few or as many assignments as you're willing to take as long as the one-assignment/month minimum is being met
- Great "secondary" volunteer program

Supervision: Direct supervision by Foster & Transfer Coordinator. All service hours should be emailed to the Volunteer Coordinator at volunteer@larimerhumane.org.
