## Maintenance Technician I

<b>Job Title:</b>	Maintenance Technician I
<b>Department:</b>	Shelter – 02
<b>Job Classification:</b>	Regular Full-Time, Hourly, Non-Exempt
<b>Job Relationships:</b>	Reports to the Facility and Maintenance Supervisor. Supervises volunteers and contractors as assigned.

The Maintenance Technician I will assist the Facility and Maintenance Supervisor in ensuring proper maintenance of the Shelter's building(s), grounds and equipment. Under the direction of the Supervisor, safely completes tasks and maintenance tickets related to landscaping, janitorial and facility operation. Performs designated maintenance and facility tasks and assists with vendor, contractor and volunteer worker oversight as directed. Schedule is 40 hours per week, generally Tuesday through Saturday and subject to change, with additional weekend and evening hours as required. Must be at least 18 years of age for insurance purposes.

### Essential Duties/Responsibilities

- Responds quickly and efficiently to assigned maintenance tickets using favored techniques and good customer service, communication and computer skills
- Completes daily, weekly and monthly preventative maintenance checklists keeping Supervisor apprised of findings and taking corrective actions as trained and warranted
- Performs basic preventative maintenance and replacement and repair activities as assigned (doors, filters, kennel drains, toilets and more)
- Cleans flooring by various means including sweeping, mopping, vacuuming and operating a floor-scrub machine
- Sanitizing and cleaning of common areas in accordance with disease control requirements as assigned
- Responsible for trash and recycling removal from designated indoor and outdoor areas
- Performs grounds keeping duties including mowing, debris removal, trimming, weeding (including by hand), harrowing, snow and ice removal, basic sprinkler repair and more
- Assists with cleaning fleet vehicles and outdoor equipment including mowers, trimmers, trailers and hand tools
- Assists with repairing indoor equipment and maintenance including kennel hardware, cleaning tools and animal handling tools
- Learns and follows Building Stewardship rules and guidelines
- Performs physical facility set-up and break down for various meetings and events
- Learns and follows all Organizational safety rules and applicable OSHA rules
- Assists with scheduling, coordinating and oversight of the work of maintenance contractors and vendors and serves as their contact in supervisor's absence (janitorial, electrical, floor mats, landscaping, fire safety services, property management, etc.)
- Ensures maintenance tools and equipment used to perform duties are in safe, clean and good working condition prior to use and reports issues to Supervisor

### Other Duties/Responsibilities:

- Assists with the Building Stewardship Task Force as directed
- Helps to maintain tool, housekeeping and maintenance supply inventories and regularly advises the Facility and Maintenance Supervisor of inventory levels. Assists with supply purchasing as directed
- Attends meetings in the absence of the Supervisor as well as other meetings as directed
- Consistently adheres to a high level of effective client service
- Responds quickly and professionally to maintenance situations and emergencies in absence of Supervisor
- Participates effectively as a team member through communication, cooperation, information sharing and problem solving
- Maintains regular and predictable attendance and meets punctuality requirements

- Serves as backup for assigned duties in the absence of the Supervisor
- Other duties as assigned
